2010 Season in Review

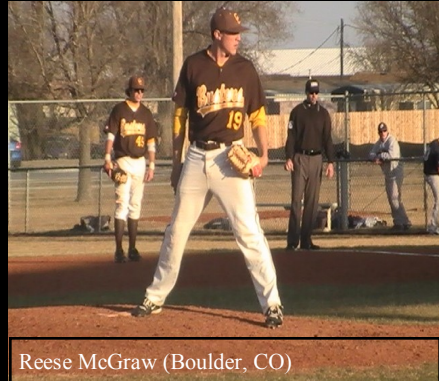

2010 Jayhawk West Conference Runner Up Overall 40-17 KJCCC West 21-11

Garden City experienced another banner year in 2010. During the course of the season, the Busters experienced many highs. They reached the 40-win plateau for the second consecutive season, finishing with a 40-17 overall record. The 2010 regular season saw the team finish second in the KJCCC West, before losing out in the championship game of the Cowley College Sub-Regional. The Busters started off with a 12-2 record and never looked back. Over the course of the season Garden City swept nationally ranked #7 Yavapai

C.J. Gillman (Littleton, CO)

College on the road and also had wins against three other ranked programs. Garden City also spent a good portion of the season ranked in the national polls, reaching as high as 16th in the country.

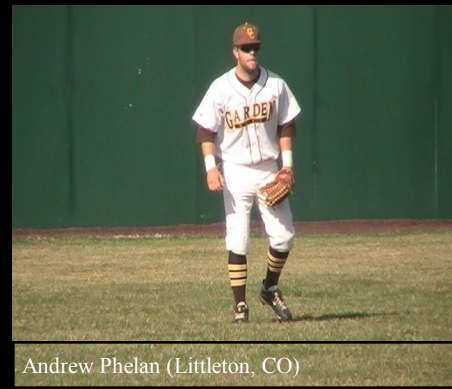

Reese McGraw (Boulder, CO)

The 2010 season saw many great individual performances and achievements. Garden City placed five players on All-Conference teams. Highlighting the award winners was sophomore Erik Mattingly

(Lakewood, CO). Erik experienced one of the most successful individual seasons in Buster history taking home 1st Team All-American honors, 1st Team All-Region, 1st Team All-Conference, while also being named the 2010 KJCCC West Player of the Year. Sophomores C.J. Gillman (Littleton, CO) and Reese McGraw (Boulder, CO) joined Mattingly on the All-Conference 1st Team, with McGraw also picking up 2nd Team All-Region Honors. Freshman Axel Rivera (Yabucoa, PR) was tabbed second team All-Conference. Sophomore outfielder Andrew Phelan (Littleton, CO) was named Honorable Mention.

The Busters will look to build upon a successful fall season with twenty-three freshmen in the fold, as they try to recapture the Jayhawk West Conference title.

Andrew Phelan (Littleton, CO)

Facilities

Williams Stadium

Williams Stadium has been the home to Broncbuster baseball since it was dedicated on May 4th, 1989. The beautiful stadium is due to the generous donation of the Gary and Janet Williams family of Kokomo, IN after their son, Lewie, played for GCCC in the early 1980s.

The on campus facility features 8 light towers of Triple-A quality, a large batter's eye in center field, an inning-by-inning scoreboard behind the left field wall, a complete press box, a Technomad® indoor/outdoor sound system, on site batting cages, and seating for an approximately 500 fans with additional capacity pro-

vided by spacious berms located behind each dugout.

For all of Buster Baseball nation, selected games are broadcasted on both local radio on the internet (see our website for more details).

Clubhouse/Academy

Buster Clubhouse

The GCCC Baseball Clubhouse is located only feet away from Williams Stadium. It is a baseball only facility featuring individual lockers for each player including a personalized locker plate with player's name and hometown, a 53" Flat Screen TV, an XBox 360, a Stereo System with MP3 player compatibility and full restroom and shower area.

Buster Baseball Academy

The Baseball Academy recently underwent a \$30,000 dollar renovation. The old lighting system was replaced with new High Efficiency T-5 Light Fixtures. New heaters were placed the length of the Academy. New batting cage

nets were hung which now give the team three 70 foot long cages. A slide net now divides the Academy, which allows for full defensive and offensive work simultaneously.

2011 Season Preview

At the Junior College level, each spring brings about much change for baseball teams across the country. That will be the case for this year's Buster baseball team. The Busters head into this spring with only ten returning sophomores. These sophomores will look to lead a young group of twenty-three freshman into their first spring experience. "This is a young but talented team" said Head Coach Chris Finnegan. "Hopefully by the end of the year we've got them playing their best baseball. If we can accomplish that, this should be a fun group to watch".

Infield

The Busters welcome four new players in the middle infield. Seeing time at shortstop this spring will be freshmen Andrew Blackwell (Overland Park, KS) and Dakota Kell (Denver, O). Both players are athletic and talented and will look to build upon their fall season. At second base freshman Zach Baldini (Denver, CO) and Dietrick Turney (Brighton, CO) will battle it out. Both players are hungry and will look to make an impact this spring.

Seeing time at the hot corner will be freshman Shea Bell (Fort Collins, CO). Bell comes off a nice fall offensively and should be solid with the glove. Another freshman Brad Michaleski (Spruce Grove, Alberta) will see significant time at the hot corner. Brad also is coming off of a great fall with the bat and glove. Both of these players will help the team win games this spring.

Playing first base for the Busters will be the duo of sophomore Brad Benes (Omaha, NE) and freshman Scott Hoyt (Longmont, CO). Benes saw action in twenty-five games last spring and had an onbase percentage of .544% while not committing a single error at first base. The coaching staff is expecting Brad to be a steadying influence on the young infield. Hoyt will see some time this spring at first base while he recovers from an arm injury suffered in high school. Scott was an all-state player in high school that the coaching staff is excited to watch this spring.

Brad Benes

2011 Season Preview

Catchers

The Busters head into the spring with two talented freshmen behind the dish. Luke Flanagan (Centennial, CO) joins the Busters from Cherry Creek High School, which is one of the most successful high school programs in the country. Luke has a chance to make a big contribution this spring. Also looking to make a large contribution, both offensively and defensively, will be freshman Cody Kottich (Omaha, NE). Cody was a First Team All-State selection last year as a senior. Both players come off of successful fall seasons and look to continue their success this spring.

Outfield

New faces will be patrolling the outfield this spring at Williams Stadium. Sophomores Alex Kelly (Fort Collins, CO) and Sam Thornton (Canberra, ACT) moved from the infield to the outfield this fall. Both players easily made the transitions and will be counted on to make an impact this spring. Returning to the outfield is sophomore Blake Brisson (Omaha, NE). After seeing the majority of time in centerfield last spring, Blake will be counted on to play there again and hit at the top of the lineup. New comers Timmy Martinez (Brighton, CO) and Desmond Roberts (Omaha, NE) will be counted on to make impacts this spring. This year's group of outfielders are versatile and should give the coaching staff the flexibility it needs to put a quality group out there every game.

Alex Kelly

Pitchers

Pitching should be an area of strength this year for the Busters. The team has a talented group of newcomers to couple with a strong group of returning sophomores who saw significant action last year. Returning to the mound this spring will be Alex Ellison (Littleton, CO). Ellison will be looked upon to anchor the staff after spending most of last season in the rotation as a freshman.

Alex Ellison

A trio of freshmen will be looking to lock up time on the mound as starters this spring. Todd Brazell (Peyton, CO), John Houston (O'Fallon, MO), and Desmond Roberts (Omaha, NE) all had nice falls and will look to build on that heading into this spring. Brazell and Roberts give the Busters some nice left-handed options while Houston has the chance to be an innings eater for the Busters.

Others who will see time as both starter and out of the pen are Kris Lalk (Denver, CO), Brennan Henry (Denver, CO), and Anthony Mastroni (Thornton, CO). The rest of the bullpen will be solid with Dillon Ayres (Wichita, KS), Matt Knotek (Fort Collins, CO), and Tyler Rogers (Littleton, CO), giving Finnegan a quality trio of relievers. Derek Krier (Salina, KS), Jake McFarland (Osage City, KS), Sam Thornton (Canberra, ACT), and Adam Warner (Canberra, ACT) will round out the pitching staff. All of these pitchers will be expected to throw quality innings this spring for the Busters.

The KJCCC

One of the NJCAA's most prolific conferences, the Kansas Jayhawk Community College Conference is dedicated to achieving the highest goals in the integration of academic and athletic endeavors. Individually, member schools have long been respected for successes both in its classrooms and its stadiums.

In all, the KJCCC is home to more than 3,000 student-athletes on 233 teams in the 19 men's and women's KJCCC-sponsored sports. The men's programs regulated by the conference include baseball, basketball, cross country, football, golf, indoor/outdoor track and field, soccer, tennis and wrestling. The KJCCC-regulated women's programs include basketball, cross country, golf, indoor/outdoor track and field, soccer, softball, tennis and volleyball.

Organized in 1923, the Jayhawk Community College Conference arose out of the special needs of Kansas community colleges to create an organization which would further the best interests of intercollegiate athletics. Originally named the Kansas Public Junior College Association, the name Kansas Jayhawk Junior College Conference was adopted in 1962. Thirteen years later, the name as it is known today, the Kansas Jayhawk Community College Conference was adopted.

Composed of five members at the onset, the conference has changed its makeup several times. Long respected as the leader in academics and athletics in the NJCAA, the conference today has grown to a membership of 19 community colleges from the state of Kansas, divided into two divisions, the East and West.

Coaches and Players

Head Coach

Chris Finnegan

6th Year
Southern Mississippi
#36

Chris Finnegan was named the head baseball coach at Garden City in October 2005 after serving one season as an assistant coach. Since taking over the helm Finnegan has led the Busters to an overall record of 177-113. Last year marked the second consecutive season with forty wins for Finnegan. In his 6 years as a Broncbuster coach Garden City has thrived, winning 2 Jayhawk West Conference championships (2009 was the first outright title since 1989), finished Region VI Runner-Up twice, and hosted the first round of the Region VI championship 4 times advancing to Wichita each time to play for the Region VI title.

Coach Finnegan has also had the pleasure of coaching many great players. The Busters have had 34 All-Conference players, 8 All-region players, 3 All-Americans, 2 Freshmen of the Year, 2 Conference Players of the Year, and five Busters drafted under Chris while he also earned Coach of the Year Honors in 2009. Coach Finnegan's former players have moved on to schools such as Nebraska, Kansas, Charleston Southern, Creighton, Southeastern Louisiana, and many more highly regarded programs.

Coach Finnegan began his coaching career as an assistant at Peru State College, in Peru, Nebraska. He has also coached in the MINK League with the Chilli-cothe Mudcats and with the Mat Su Miners of the Alaskan League.

Finnegan, originally from Omaha, was drafted by the California Angels out of Millard North High School but opted to go to school. He began his college playing career at Hutchinson Community College. During the summer of 1998, Chris played for the Liberal Bee Jay's. Finnegan then transferred to the University of Southern Mississippi where he was a starting catcher for two seasons in Conference USA. During the summer of 1999, Finnegan played for the Hyannis Mets of the prestigious Cape Code League. After completing his collegiate career, Finnegan went on to play three years professionally, splitting time with the Schaumburg (IL) Flyers and Adirondack (NY) Lumberjacks of the independent Northern League. Coach Finnegan graduated with a degree of Sports Administration from the University of Southern Mississippi.

Assistant Coaches

Mike Dudley
3rd Year
Kansas
#39

Mike Dudley enters his 3rd Season as the Assistant Coach for Coach Finnegan and the Garden City Broncbusters. During his 1st two seasons with the Broncbusters, Dudley has helped the Busters to an overall record of 85-34 with a Jayhawk West Conference Championship in 2009. Dudley has been in charge of the hitters and infielders each year and has seen the offense hit over .329 each season and field over .952.

In Dudley's short stint as Assistant Coach he has helped produce 13 All Conference Players, 4 All Region 6 Players, 1 First Team All American, 1 Rawlings Big Stick Award Winner, and 7 Academic All Americans. Dudley has also helped place 21 players to NCAA programs.

Coach Dudley began his coaching career at the University of Kansas in 2006 where he served as the student assistant working with first basemen. That year's team won the Big XII tournament and played in the Corvallis, Oregon regional. After that he moved on to Blue Valley West High School in Overland Park, KS where he served as an assistant coach on Bill McDonald's staff. That team went on to win the 2007 6A state championship. Coach Dudley has also spent past summers as the head coach of Connie Mack teams in Colorado and Arizona. In the summer of 2008 he served as an assistant coach with the Amsterdam Mohawks of the New York Collegiate Baseball league.

Dudley, originally from Pueblo, CO began his playing career for the Busters where he played first base from 2002-2003. He spent the summer of 2003 playing for the Mankato Moondogs of the Northwoods league. After Garden City, Dudley transferred to the University of Kansas where he played from 2004-2005. The Jayhawk teams that Dudley was a part of posted back to back 30 win seasons and made the Big XII tournament in 2005.

Coach Dudley graduated with a Bachelor's of Science in Education from KU in 2006. He obtained his Master's Degree in Curriculum and Instruction through KU in the fall of 2008. He is married to the former Abby Schwind of Overland Park, KS.

Matt Quint enters his 2nd season and 1st as a full time pitching coach for the Garden City Broncbusters. During the 2010 season Quint helped produce a pitching staff that posted at 4.00ERA and saw two pitchers (Erik Mattingly/Reese McGraw) move on to the Div. 1 level.

In the summer of 2010 Coach Quint headed back to Liberal, KS where he once played for the Liberal BJ's. As the pitching coach for the BJ's Quint helped them bring the NBC World Series trophy back to Liberal, KS.

The former left-handed pitcher is a native to Garden City and an alumnus of Garden City High School. Quint, while in high school, earned first team all WAC honors his senior year. After high school Matt decided to stay home and attended Garden City Community College from 2002-2004. His freshman year he was a part of a Western Conference Sub-Regional Championship title team. After GCCC he transferred to Emporia State University where in his first season the Hornets won 41 games and made the Central Regional Tournament. The following year, while part of the ESU pitching staff, the Hornets won 48 games, the MIAA Conference Championship, Central Regional Championship and earned a birth in the NCAA Division II World Series. Quint also spent time playing summer baseball for the Liberal Bee Jay's and was a member of the Derby Twins which finished second at the NBC baseball tournament held each year in Wichita. This summer Matt will be back with the Liberal Bee Jay's of the Jayhawk League as an assistant coach. Matt is single and lives in Garden City.
